Thank you for choosing Capital Reporting Company. Please find the files you requested herein.* They may be provided in multiple file formats for your convenience. If you have requested a hard copy of the transcript and/or exhibits, you will receive them shortly.

Transcripts and/or Exhibits are also available online using our Capital Reporting Company client portal (powered by MyVeritext).

Secure and easy-to-use, we encourage you to take advantage of the Capital Reporting Company client portal (powered by MyVeritext) to:

- Access, search and download your transcripts and exhibits 24 x 7.

- View, schedule or modify a new deposition assignment, case event or related meeting - and receive instant e-mail confirmation.
- Sign into and participate in remote depositions (powered by Veritext Virtual).
- Take it with you wherever you go - it's mobile friendly!

To request your individual log-in, please call 202-857-3376. Your unique individual log-in is private, and complies with all HIPAA and PII standards to ensure data security.

Should you need further assistance, you may **REPLY TO THIS E-MAIL** or call 202-857-3376. Thank you again for choosing Capital Reporting Company.

Your Capital Reporting Company Team

* PLEASE NOTE: For data security purposes, the above direct hyperlink(s) to your files will expire in 30 days
(Of course, you can always retrieve them any time on [MyVeritext](#))
